## EXPERIENCE

---

MEADOW DESIGN  
DESIGN INTERN  
SUMMER 2012  
SAN FRANCISCO

Interning at Meadow gave me the chance to take on a variety of interactive projects from designing and coding websites to wireframing and designing for iPad applications.

FREELANCE  
2009-2012

I enjoy taking on a variety of different projects including print, web, editorial, photography and cinematography.

SPUTNIK DESIGN  
DESIGN INTERN  
SUMMER 2012  
SAN FRANCISCO

Working at California College of the Arts in house design studio I worked on projects from promotional campaigns to the schools publication.
